GUIDELINES

- A person may appear in only one act. For example, the same person may not appear in both a solo and a group act. An accompanist is permitted to perform in more than one act.
- All background music must be provided on a CD or applicants can provide their own live music.
- Acts are to be a maximum of 5 minutes each. You must be able to get any props or equipment on/off the stage in 3 minutes prior to and after your performance. Please contact us if you have any special equipment or setup needs.
- Due to the potential for a large number of acts, submissions will be accepted on a first come first serve basis. Once your application is submitted, you will be contacted via email with a confirmation of your talent performance. No duplicate music will be allowed.
- All participants under 18 years old applying for the Talent Show must have their parent or guardian sign the application. At least one parent or legal guardian per act will be required to attend the sound check (if needed) and attend the performance.
